The interface shows a video feed of a person's face. A white rectangular box with a red border highlights the person's face. A red dot on the left side of the video frame indicates a zoom-in control. Below the video frame, there is a horizontal line with a red dot in the center, likely a zoom slider. At the bottom left, there is a blue button labeled 'Save'.

Note: Adjust picture in the highlighted Box and click on 'Save'
